Spaulding high school freshmen left the city this morning at 8 o'clock for their annual outing at Berlin pond. Two heavy hayracks were required to transport the pupils to the pond. It was planned to have dinner in the woods bordering the waters and to pass the afternoon in recreation, returning to the city early this evening. Miss Howard, Miss Taylor and Miss Robinson and Messrs. E. J. Dole and Leroy Ryan of the faculty accompanied the freshmen.

Berlin school authorities have secured plans for a modern schoolhouse to be erected on a convenient location between Barre and Montpelier, a meeting of the school board yesterday having authorized the beginning of work on the structure. It is planned to do away with the schoolhouse on the Benjamin road, so called, as it has outgrown its usefulness. A building with two rooms accommodating 70 pupils is contemplated in the plans and Berlin school children who have hitherto found it more convenient to attend school either in Barre or Montpelier will be able to get their grade education in their own town.

Arrangements for two local baseball games of more than ordinary importance are in the making, although neither tentative contest can become an actuality until pending negotiations are completed early in the coming week. Fans who have followed the fortunes of Goddard seminary's fast team through the present season are trying to match the school boys with the University of Vermont varsity team. If the overtures for a game are successful, it will be played in Barre sometime next week. The Italian A. C. management is angling for one of its annual games with the Chinese university team, which is taking the measure of so many college teams in the East this spring. The Chinese have furnished snappy baseball in several games here in the past.

A. J. H. Strick. The marriage was solemnized in the Methodist parsonage at Morrisburg. The bridegroom left Barre last winter and has many friends in this city. The announcement of the marriage by the Morrisburg paper says: "The young people purposed residing in our beautiful village for the summer and their many friends join in hearty congratulations, wishing them a very happy and successful life."

President William Arnold Shanklin, LL. D., of Wesleyan university, Middletown, Conn., is to speak in the Heddin church Sunday evening at 7 o'clock on "The Christian College." President Shanklin is considered one of the country's leading educators. He has done noble service at Wesleyan, raising over \$1,000,000 in endowment. A number of fine buildings have been erected during his administration and a new dormitory costing \$125,000, is to be begun at this coming commencement. Popular and able as a man, an excellent speaker, Barre people are fortunate in having the opportunity to hear him and a cordial invitation is extended to all who may wish to do so to attend the Heddin church next Sunday evening. It may take an additional interest to know that he is to give the baccalaureate sermon for Montpelier seminary Sunday morning, that the pastor of the Heddin church is a graduate of Wesleyan and that two of the former graduates of Spaulding in the classes of '13 and '14 are now students at Wesleyan, where they are making fine records.

# Interesting Values of the Season

We are just beginning to realize that the warm weather is nearly upon us, and many are hustling to get their wardrobe ready for the future warm days. We have been preparing for just this time and are now ready with the materials that you may want as well as the ready made dresses, waists and skirts that you will want in a rush.

Never in the history of the ready made dress business was there such a demand for these and medium weight dresses. Our line is now quite complete with dresses that are not only made for style but for service as well. These are a make of dresses that are made for the New England trade and built on lines that fit the average customer in nice shape.

### Ladies' Separate Waists

We have just received another lot of those cheap Waists. These are a good Waist value. Are Waists that are made from a good material, in all the best styles. Are in odd lots of only a few Waists of a pattern. The fit, style and quality are very good, and the price is only 49c and 69c each.

We have just received some Black Waists that are made in good styles, such as are used by table girls. These are only \$1.25 each and the quality is very good.

At \$1.25 is a neat styled Waist made from a striped silk and cotton goods in stripes, also a voile in a plain white ground with a colored stripe in different colors.

In the Colored Striped Silk Waist, we have some very good values at prices that are right.

In Black Silk Waists, we can give you a number of good models at from \$1.25 to \$2.50 each.

### Ladies' Tailored Suits

We have just received some extra good Suit values in the plain tailored style that are made up from fine Serges and Poplins. Are a lot of odd Suits we were able to get at a special price, and we are selling them at about one-fourth off from the regular prices. Colors—Black and Blue.

At \$12.50 is a Black Suit that is made from a quality of cloth that was used in an \$18.00 Suit. Is made in a style that is not extreme, but a style that you can wear through into the fall.

At \$15.00 is a lot of Black and Blue Serge Suits in qualities that sold at \$20.00. These are the season's best Tailored Suit models, that were made to sell at \$20.00. We are selling these for only \$15.00.

At about one-fourth the regular price is a lot of Sample Suits in the season's best styles. This is a good Suit proposition for anyone who wants a good Suit.

Funeral services will be held in the Plainfield Methodist church at 1 o'clock in the afternoon, the pastor, Rev. A. W. Hewitt, officiating. Interment will be made in the village cemetery.

Barre's sporting forum is glutted with baseball entries to-day, with both school teams and both athletic clubs ready for the fray this afternoon. Spaulding high school will try conclusions with St. Johnsbury academy at the Lincoln school campus. The Barre A. C. will dedicate its new baseball grounds off Ayers street by playing an all-collegian team from Dartmouth college and the Italian A. C. will have one of its periodic tussles with the fast Goddard seminary team. Reports from Hanover have it that the school originally established for the Indians is sending along a swift aggregation. Goddard and the Italians are closely matched and anyone who journeys to Gospel village will see two scrappy school teams in action. There will be a surfeit of baseball this afternoon for even the deepest-dyed fan.
